

RECRUITMENT OF HOSTEL WELFARE OFFICERS - NOTIFICATION NO. 37/2016

DECISION OF COMMISSION ON OBJECTIONS ON QUESTIONS OF SCREENING TEST PAPER CODE OWH/EP/444

S.No	Question No. in A Series	Gist of the Question	Answer as per Candidates	Gist of Objection	Decision of the Commission	Answer as per final key
1	3	Rancidity is a/an?	1	10 th Class Science Text Book Academy TM	The objection is incorrect. The source is also misquoted.	2
2	7	Which of the following is the longest part of the alimentary canal?	1	Esophagus. 8 th Class Science Text Book	The objection is incorrect. The source is also misquoted.	3
3	9	Which of the following is a parasite?	3 & 4	<ol style="list-style-type: none"> 1. 9th Class Natural Science TM 2. Both Cuscuta, Leech, i.e, 3 & 4 correct 3. In telugu, printed as 4 & 4 	Leeches are also parasites. Hence, both option 3 & 4 are treated as correct. However, the objection that 2 answers are numbered as (4) in Telugu is not acceptable because, the minor error in numbering in Telugu can be understood with simple common sense	3 & 4
4	10	In which part of the heart, there would less oxygen in the blood?	2	10 th Class Biology , Right Ventricle	The objection is partly correct. Heart receives deoxygenated blood into Right Atrium and from right atrium the blood flows into Right Ventricle before pumping into lungs. Hence, options 1 & 2 are treated as correct.	1 & 2
5	27	Bhitarkanika in Orissa is a	0	The Correct Answer is Bhitharkanika National Park in Odisha	The objection is meaningless. The question is on status of the forest but the nature of forest cover	3
6	36	What is the best shape of a house in cyclone	4	CBSE Social Text Book 10 th Class, i.e., U Shape	The objection is incorrect. The source is also misquoted. The given option is correct.	1

		resistant architecture?				
7	45	If Kilo is Thousand, then Dekka is?	0	'Deka' is wrongly spelt	The objection is incorrect. "Deka" is a valid spelling as per several dictionaries	2
8	46	What comes next?	2	Semi Circle reduces Full Circle increases	Objection accepted. Correct answer is option 2	2
9	53	In the diagram, what is the base value of the Inflation Index?	0	There is difference in translation between English and Telugu	The objection is not acceptable because both in English and Telugu, the base inflation index is correctly shown as 100.	3
10	54	Which of the items which showed increase in price in the period Y 2 to Y3?	4	Petrol in Telugu	The graphs are differently shown with regard to petrol and water in English and Telugu. In English, the correct option is 3 and in Telugu it is 4. As the Telugu version is also correct in its own right, both options are treated as correct	3 & 4
11	55	Which of the items has the highest inflation rate?	0	There is difference in translation	The objection is not acceptable because both in English and Telugu, the highest inflation rate is with regard to food in both English and Telugu	2
12	56	What is the average increase in price for Houses from Y0 to Y2?	1	Y2 to Y3 – Distance $100 \times 5 / 90 = 5.55$	There is no translation issue but the correct answer is about 3.75% which is not there in the given answers. Hence, the question may be deleted	0
13	57	In which period, water prices had the highest decrease?	3	Y2 to Y3	In English, the correct option is 2 where as in Telugu it is 3 (because the decrease is w.r.t the immediate past year). As the Telugu version is also correct in its own right, both options are treated as correct	2 & 3

14	59	Which of the following is the highest peak in Eastern Ghats?	0 2	1. Aramakonda is not correct 2. Mahendra giri is correct answer i.e., is 2	The objections are incorrect.	1
15	67	Which of the following is the largest contributor to Green House Effect?	0 3 & 2	1. Water Vapour (4) is not correct 2. Chlorofluorocarbons (3), Carbon Dioxide (2) is correct	The objections are incorrect. Water Vapour contributes to about 60% of the global warming.	4
16	77	Which following the statements on the Indian Constitution is correct?	1	10 th Class Social Text Book It is a mere text of written rules	The objection is incorrect and the source is misquoted. The given option is correct	3
17	80	Which party had the largest representation in the Constituent Assembly after Congress?	0	Muslim league refused the election 4 is not correct answer	The objection is not correct. Though several members of Muslim league belonging to provinces which became part of Pakistan went away, 28 members elected from Muslim League remained in the Constituent Assembly of India. They did not join congress or any other party. Hence, the given option is correct	4
18	85	The Directive Principles are	1	Mere moral precepts, 10 th Class Social text Book TM	The objection is incorrect and the source is misquoted. The given option is correct	4
19	105	Which article of the Constitution specifically mentions Public Interest	0	No such Article in Constitution no option	There is no objection at all	4

		Litigation?				
20	107	Writ of Prohibition is available against?	0 4	Judiciary and quasi judiciary bodies not correct Inter first year polity Book judicial and administrative bodies (4)	The objection is incorrect. Prohibition is only against lower judicial authorities including quasi judicial bodies	1
21	129	Whose decision is final in vesting of the rights under the Scheduled Tribes & other Traditional Forest Dwellers (Recognition of Forest Rights) Act, 2006?	2	Central Government (2) Recognition of Forest Right Act 2006	The objection is incorrect. Section 6(6) of the Act states that the decision of the District Level Committee is final.	1
22	131	Under the Prohibition of Employment as Manual Scavengers and their Rehabilitation Act, 2013?	2	Manual Scavengers and their Rehabilitation Act - 2013	The objection is incorrect. The Act bans insanitary latrines but does not provide for financing of individual sanitary latrines.	1
23	132	Which of the following Acts provides for punishment for practice of	4	Scheduled Caste protection Act	The objection is incorrect. There is no such Act as quoted by the candidate.	2

		Untouchability?				
24	133	Under the Lokpal and Lokayukta Act, 2013, every state will have?	2	Under the Lokpal and Lokayukta Act 2013	The objection is incorrect. The Act does not provide for Lokpal for a State	3
25	142	How much percentage of subsidy is granted to a tribal belonging to PVTG category, in specified development schemes?	0	There is no objection at all	There is no objection at all	3
26	146	Which age group children are eligible under the "Giri Gorumuddalu" programme implemented in tribal areas to eradicate malnutrition?	0	The age is between 6 months to 6 years	The objection is incorrect.	4
